ABOUT ME

I'm Nivetha, currently pursuing my degree in Computer Science with a focus on Data Analytics at St. Joseph's College for Women in Tirupur. With a passion for technology and data-driven insights, I am deeply engaged in understanding how data can be transformed into valuable solutions that drive decision-making.

I pride myself on my strong communication skills, which allow me to effectively collaborate with others and articulate complex concepts clearly. Additionally, my ability to type quickly ensures that I am both efficient and detail-oriented in my work.

I approach challenges with a positive attitude and a determination to learn and grow. I believe that my skills and enthusiasm for both technology and data analytics will help me succeed in this ever-evolving field.
